## NEW RESIDENCE HALL

North Central's newest residence hall is scheduled to open its doors in the fall of 2015. The new building will house 229 upperclass men and women in single-, double-, and quadruple-occupancy suites. Each suite will be furnished and equipped with a common room, kitchenette, and private bathroom(s). The building will also be home to a large breakout meeting space, central kitchen, computer lab, and individual floor lounges.
