

Leila Azarbad, Ph.D.

Associate Professor of Psychology, Ruge Fellow
Licensed Clinical Psychologist
North Central College
30 N. Brainard Street, Naperville IL 60540
Office: 630.637.5379 Fax: 630.637.5121
E-mail: lazarbad@noctrl.edu

EDUCATION

- 2007 **Post-Doctoral Fellowship**, Rush University Medical Center,
Health psychology/Behavioral medicine
- 2006 **Ph.D.**, University of Virginia, Clinical Psychology
Dissertation: *Predictors of weight-loss expectations among pre-operative bariatric surgery patients.*
- 2006 **Pre-Doctoral Internship**, Rush University Medical Center,
APA-approved Health Psychology track
- 2002 **M.Ed.**, University of Virginia, Clinical and School Psychology
Master's thesis: *Assessing depressive symptoms in African American college women: The BDI-II and CES-D.*
- 2001 **B.A.**, Illinois Wesleyan University, Summa Cum Laude with
Research Honors
Major: Psychology Minor: Spanish
Research honors thesis: *Cognitive and physiological processes underlying written disclosure.*

FACULTY POSITIONS

▪ North Central College, Department of Psychology (9/10 – present)

- Positions: Associate Professor of Psychology (2015 – present)
Assistant Professor of Psychology (2010 – 2015)
- Duties: Teach a variety of undergraduate psychology courses; Conduct scholarly activity and mentor student research; Contribute to college's citizenship mission.

▪ **Rush University Medical Center, Department of Behavioral Sciences (7/08 – 7/10)**

Position: Assistant Professor (tenure-track)

Duties: Provided psychological assessment and psychotherapy in inpatient and outpatient medical center settings; Taught courses and lectures in the medical college; Conducted research in the areas of obesity and eating behaviors; Provided clinical supervision to doctoral-level graduate students.

HONORS and AWARDS

- Ruge Fellow Award for Excellence in Teaching, North Central College, 2018
- Certificate of Reviewing Excellence, *Eating Behaviors* Journal, 2014
- Clarence F. Dissinger Memorial Award for Distinguished Teaching by a Junior Faculty Member at North Central College, 2013
- Beck Institute for Cognitive Therapy Scholarship Winner, 2010
- Awarded 2nd place Best Research Poster, Midwest Pain Society Research Conference, 2009
- Society of Behavioral Medicine Meritorious Student Research Award, 2006
- Research Travel Grant Award, University of Virginia, 2006 & 2003
- Curry School of Education Foundation Scholarship, University of Virginia, 2005
- Graduate Research Assistantship, University of Virginia, 2001 – 2005
- Graduate Teaching Assistantship, University of Virginia, 2004
- American Psychological Association Research Travel Grant Award, 2003
- Summa Cum Laude with Research Honors, Illinois Wesleyan University, 2001
- Alpha Gamma Delta Foundation Scholarship, 2001
- Outstanding Senior Award, Department of Psychology, Illinois Wesleyan University, 2001
- Illinois Wesleyan University Achievement Scholarship, 1997 – 2001

TEACHING EXPERIENCE

▪ **North Central College, Department of Psychology (9/10 – present)**

Position: Associate Professor of Psychology & Ruge Fellow

Duties: Teach the following undergraduate courses: Stress and Coping, Careers in Psychology, Abnormal Psychology, Clinical Psychology, Health Psychology, Seminar in Obesity and Disordered Eating; Provide one-on-one instruction for independent studies, honors theses, and internships.

▪ **Rush University Medical Center, Department of Behavioral Sciences & Rush Medical College (7/08 – 7/10)**

Position: Assistant Professor (tenure-track)

Duties: Taught the following full-semester courses to medical students: Interviewing and Communication I and II; Learning Theory and Cognitive-Behavioral Therapy.

Taught the following lectures to medical students: Parenting and Attachment; Physician-Patient Communication; Working with Patients of All Ages; Delivering Bad News.

Taught the following lectures to psychology interns and post-doctoral fellows: Cognitive-behavioral treatment of health anxiety, Pre-transplant psychological evaluation of cardiac transplant candidates, School-based assessment and intervention, Applying for post-doctoral fellowships, Preparing for licensure.

▪ **University of Illinois at Chicago, Department of Psychology (1/08 – 5/08; 8/06 – 12/06)**

Position: Adjunct Assistant Professor

Duties: Fully responsible for the development and instruction of two sections of a 150-student upper-level undergraduate course in Social Psychology.

▪ **Rush University Medical Center, Department of Behavioral Sciences (7/06 – 7/07)**

Position: Instructor

Duties: Instructor of a Learning and Behavior course to first-year medical students; Provided teaching seminars and didactic lectures to psychology residents; Presented grand rounds lectures in medical center.

▪ **Center for Clinical Psychology Services, University of Virginia (6/03 – 6/04)**

Position: Clinical Supervisor

Duties: Supervised doctoral students in conducting comprehensive psychological evaluations; Chaired planning meetings and case conferences; Provided live supervision and feedback; Assisted with test scoring and report writing.

▪ **Curry School of Education, University of Virginia (1/04 – 6/04)**

Position: Graduate Teaching Assistant

Duties: Teaching assistant for doctoral-level Psychopathology course; Provided lectures; Wrote and scored examinations; Assisted with and evaluated research papers.

▪ **Center for Clinical Psychology Services, University of Virginia (1/03 – 6/03)**

Position: Co-Instructor, Cognitive-behavioral therapy course

Duties: Co-taught weekly doctoral-level cognitive-behavioral therapy training course; Allowed live observation of my therapy cases and facilitated post-session course discussions and treatment planning meetings.

CLINICAL POSITIONS

- **Rush University Medical Center, Department of Behavioral Sciences (7/08 – 7/10)**

Position: Licensed Clinical Psychologist/Assistant Professor
Duties: Provided individual diagnostic assessment and outpatient psychotherapy to adults experiencing a wide range of psychiatric disorders; Conducted psychological evaluations for bariatric surgery and cardiac transplant candidates; Provided clinical supervision to psychology residents and post-doctoral fellows.

- **Rush University Medical Center, Outpatient Psychotherapy Service (7/06 – 7/07)**

Position: Post-Doctoral Fellow
Duties: Specialized in behavioral medicine and cognitive-behavioral therapy; Conducted comprehensive psychological evaluations and provided outpatient psychotherapy to adults experiencing a variety of Axis I and II disorders; Served as Coordinator of Services for Outpatient Psychotherapy Clinic.

- **Rush University Medical Center, Pre-Doctoral Internship (7/05 – 6/06)**

Position: Psychology Resident, Health Psychology track
Duties: Completed a one-year clinical psychology internship comprised of inpatient and outpatient clinical work across the following rotations: Outpatient Psychotherapy, Rehabilitation/Geriatric Psychology, Sleep Disorders, and Psychosocial Oncology.

- **Center for Clinical Psychology Services, University of Virginia (6/02 – 6/05)**

Position: Therapist
Duties: Provided comprehensive psychological assessment and individual/family psychotherapy to children and adults.

- **Commonwealth Center for Children and Adolescents (9/04 – 4/05)**

Position: Therapist
Duties: Conducted psychological assessment and provided short-term individual and family therapy to adolescents in an inpatient, state psychiatric hospital.

- **Behavioral Medicine Center, University of Virginia Health System (6/03 – 7/04)**

Position: Therapist
Duties: Provided psychological assessment and cognitive-behavioral therapy to children, adolescents, and adults; Led support group for pre- and post-operative bariatric surgery patients.

▪ **International Family Medicine Clinic, University of Virginia Health System (6/03–7/04)**

Position: Therapist

Duties: Provided cognitive-behavioral therapy for depression and anxiety disorders and taught parent training courses to Farsi-speaking, Middle-Eastern refugees in a primary care setting.

▪ **Monticello High School (1/02 – 5/02)**

Position: School Psychology Intern

Duties: Conducted cognitive, educational, and social-emotional assessments; Provided individual counseling and crisis intervention to high school students; Provided consultation to teachers and staff.

RESEARCH and PROFESSIONAL DEVELOPMENT GRANTS

▪ North Central College

Faculty Personnel Development Committee Faculty Seminar Grant (2016)

Interdisciplinary Health Reading Group

Total: \$2100

▪ North Central College

Faculty Personnel Development Committee Instructional Development Grant (2016)

Development of PSY 293: Careers in Psychology

Total: \$1125

▪ North Central College

Faculty Personnel Development Committee Instructional Development Grant (2013)

Development of PSY 490: Seminar in Obesity and Disordered Eating”

Total: \$1387.50

▪ North Central College

Faculty Personnel Development Committee Research Grant (2012)

An investigation of weight loss expectations, depression, and binge eating among college students

Total: \$1500

▪ North Central College

Faculty Personnel Development Committee Instructional Development Grant (2012)

Development of PSY 282: Stress and Coping

Total: \$1500

▪ North Central College

Faculty Personnel Development Committee Instructional Development Grant (2011)

Development of PSY 385: Health Psychology

Total: \$1250

- Rush University Medical Center
Department of Behavioral Sciences Incubator Grant (2010)
Food addiction in severely obese bariatric surgery patients: Prevalence and impact on treatment outcome
Total: \$10,000
Role: Co-Investigator
- Rush University Medical Center
Department of Behavioral Sciences Incubator Grant (2009-10)
A Post-Operative Cognitive-Behavioral Intervention to Enhance Weight Loss in Gastric Banding Patients
Total: \$10,000
Role: Principal Investigator
- Rush University Medical Center
Department of Behavioral Sciences Incubator Grant (2009-10)
Effects of a minimal-contact weight loss program on weight loss and CPAP compliance among individuals with obstructive sleep apnea.
Total: \$10,000
Role: Co-Investigator

- **Azarbad, L.**, McKnight, L., Sheras, P., & Loper, A. (2003, August). *Assessing depressive symptoms in African American college women: The BDI-II and CES-D*. Poster presented at the annual meeting of the American Psychological Association, Toronto, Canada.
- **Azarbad, L.** (2001, April). *Cognitive and physiological processes underlying written disclosure*. Unpublished undergraduate thesis, Illinois Wesleyan University, and poster presented at the annual meeting of the John Wesley Powell Research Conference, Bloomington, IL.

RESEARCH EXPERIENCE

- **Rush University Medical Center, Department of Behavioral Sciences** (7/06 – 7/07; 7/08 – 7/10)

Positions:	Assistant Professor (7/08-present); Post-doctoral fellow (7/06-7/07)
Duties:	Conducted research pertaining to bariatric surgery and weight loss; Principal investigator on a grant investigating effects of a cognitive-behavioral intervention in enhancing weight loss in bariatric surgery patients; Co-investigator on a submitted R01 grant examining the effects of cognitive-behavioral therapy on systemic lupus erythematosus; Authored manuscripts; Mentored research projects of psychology residents, fellows, and undergraduate research assistants.

▪ **Behavioral Medicine Center, University of Virginia Health System (1/03 – 6/05)**

Position: Graduate Research Assistant
Duties: Conducted research pertaining to psychological health of obese and bariatric surgery patients; Analyzed data; Co-authored research for national conferences and publications; Hired, trained, and supervised undergraduate research assistants.

▪ **Curry School of Education, University of Virginia (1/02 – 4/03)**

Position: Graduate Research Assistant
Duties: Carried out a study examining the validity of the BDI-II and CES-D in assessing depressive symptomatology in African American college students; Recruited participants; Collected and analyzed data; Co-authored papers for national conferences and publications.

▪ **Child-Parent Attachment Clinic, University of Virginia (10/01 – 5/02)**

Position: Graduate Research Assistant
Duties: Trained in attachment theory and assessment under the supervision of Robert Marvin, Ph.D.; Coded videotapes of Circle of Security Interviews and Adult Attachment Interviews using Ainsworth's classification system; Participated in weekly lab meetings.

▪ **Department of Psychology, Illinois Wesleyan University (9/99 – 4/01)**

Position: Undergraduate Research Assistant
Duties: Designed and carried out an honors thesis study of the psychophysiological and cognitive processes underlying rational and emotive disclosure using impedance cardiography; Conducted longitudinal social psychology research on loneliness; Led weekly lab meetings; Analyzed data; Presented results at local conferences.

▪ **Department of Hispanic Studies, Illinois Wesleyan University (9/98 – 5/99)**

Position: Undergraduate Research Assistant
Duties: Conducted research pertaining to the Golden Age of Spain; Co-authored and presented research at local conferences.

MENTORED STUDENT RESEARCH PROJECTS

North Central College Student Projects

- Abigail Schwarz, Richter Grant project (2018-19). *We're all in this together: Ayurveda and biomedical physician perceptions of pain treatment in southern India*. Poster presented at the 2019 Midwestern Psychological Association research conference and the NCC Rall Symposium and **under review for publication to the peer-reviewed student publication journal, NCUR Proceedings**.
- Maria Kalantzis, Richter Grant project (2018-19). *Examination of disordered eating in Scottish college students: Student and mental health professional perspectives*. Poster presented at the 2019 National Council for Undergraduate Research Conference and the NCC Rall Symposium.
- Kyle Lo Vecchio, Honors Thesis (2018-19). *An investigation of the influence of race and gender on eating disorder identification and stigma*. Oral presentation given at the 2019 National Council for Undergraduate Research Conference and the NCC Rall Symposium.
- Peter Malandrino, Noah Cordoba, & Elijah McCarrell-Bradley (2018-19). *Running away from body issues? The impact of a single bout of aerobic exercise on body image*. Poster presented at the 2019 NCC Rall Symposium.
- Anthony Mackar, Alexis Childs, & Luke Joiner, Independent Study (2018-19). *What is the best way to induce a food craving? Comparing the effectiveness of craving induction techniques*. Poster presented at the 2019 Midwestern Psychological Association research conference and the NCC Rall Symposium.
- Valerie Janak, Independent Study (2018-19). *The relationship between food choice and physical activity in college students*. Poster presented at the 2019 NCC Rall Symposium.
- Mikayla Strasser, Honors Thesis (2017-18). *Does locus of control influence the effectiveness of guided vs. self-directed meditation?* Poster presented at the 2018 Midwestern Psychological Association research conference and the 2018 National Council for Undergraduate Research Conference.
- Amy Simmons, Independent Study (2017-18). *The lonely extravert vs. the connected introvert: Do they differ in frequency of social media usage?* In progress.
- Kimberly Porsovigan, Independent Study (2017-18). *Judging a [Face]book by its Cover: Do Facebook "Likes" Influence Judgements of Self-Esteem and Interpersonal Attractiveness?* In progress.
- Jesus Martinez, Honors Thesis (2016-17). *Far from Normal: How a live, theatrical performance affects audience attitudes toward mental illness*. Poster presentation given at the 2017 National Council on Undergraduate Research (NCUR) Conference.

- Jennifer Schmidt, Independent Study (2016-17). *An apple a day keeps pessimism away? The relationship among fruit and vegetable consumption, optimism, and meaning in life.* Poster presentation given at the 2017 Midwestern Psychological Association Research Conference and NCC Rall Symposium.
- Mitchell Smith, Independent Study (2016-17). *Does mindset matter? Effects of mindset on working memory.* Oral presentation given at the 2017 NCC Rall Symposium.
- Ashley Miller, Honors Thesis (2015-16). *Dog park or a walk in the park? Comparing the effectiveness of surrogate dog and nature interactions on physiological stress reduction.* Oral presentation given at the 2016 NCC Rall Symposium.
- Mikayla Strasser, Independent Study (2016). *Guided imagery as a mechanism for increasing self-efficacy for yoga.* Poster presentation given at the 2016 Honors Council of the Illinois Region (HCIR) Research Symposium.
- Morgan Miller, Honors Thesis (2015-16). *Feminist attitudes and body image: The influence on college students' clothing choices.*
- Kaitlyn Brown, Independent Study (2015). *The relationship between religiosity and perceptions of eating disorder treatment.* Oral presentation given at the 2015 NCC Rall Symposium.
- Allison Deckinga, Independent Study (2015). *The relationship between selfies and self-esteem.* Oral presentation given at the 2015 NCC Rall Symposium.
- Megan Schomaker, Independent Study (2015). *A relapse prevention program for patients suffering from anorexia nervosa.* Poster presented at the 2015 NCC Rall Symposium.
- Elizabeth Hoffman, Honors Thesis (2014-15). *The effects of religiosity and scripture on state anxiety.* In progress. Poster presented at the 2015 Midwestern Psychological Association Research Conference, National Council on Undergraduate Research (NCUR) Conference, and NCC Rall Symposium.
- Molly Reese, Honors Thesis (2014-15). *Relationship between social rhythm and quality of life in individuals diagnosed with Bipolar Disorder.* Poster presented at the 2015 Midwestern Psychological Association Research Conference, National Council on Undergraduate Research (NCUR) Conference, and the NCC Rall Symposium.
- Meghan Pickett, Honors Thesis (2014-15). *Students versus counselors part II: A cross-cultural comparison of Scottish and American undergraduate stress and outreach programming.* In progress. Poster presented at the 2015 Midwestern Psychological Association Research Conference, and oral presentations given at the National Council on Undergraduate Research (NCUR) Conference and NCC Rall Symposium.
- Milena Gotra, Independent Study (2014). *Dieting is stressful! An investigation of the relationship between different diets and stress levels in college students.* Poster presented at the 2015 Midwestern Psychological Association Research Conference.

- Caitlin Farmer, Independent Study (2014). *Is there a relationship between certain types of diets and binge eating?* Poster presented at the 2015 Midwestern Psychological Association Research Conference.
- Meghan Pickett, Richter Grant/Independent Study (2013-14). *Students vs. counselors: A preliminary, qualitative cross-cultural investigation of prominent stressors and outreach programming from the perspective of British undergraduates and university counselors.* Data collected at the University of Glasgow. **Paper published in peer-reviewed student journal, NCUR Proceedings.** Oral presentation given at the 2014 Honors Council of the Illinois Region (HCIR) Research Symposium and National Council on Undergraduate Research (NCUR) Conference, and poster presentation given at 2014 NCC Rall Symposium.
- Yekaterina Pavlopoulos, Honors Thesis (2013-14). *Political values and mental health status: Identifying the more salient predictor of favorability.* Poster presented at 2014 National Council on Undergraduate Research (NCUR) Conference and NCC Rall Symposium.
- Amanda Henderson, Honors Thesis (2013-14). *Student perceptions of expectations of violence in response to the implementation of school resource officers.* Poster presented at 2014 NCC Rall Symposium.
- Tara Savino, Independent Study (2013-2014). *The effectiveness of motivational techniques combined with conditioning and endurance to improve youth football players' performance.* Poster presented at 2014 Midwestern Psychological Association Research Conference and 2014 NCC Rall Symposium.
- Patrick Noonan, Independent Study (2013-14). *Ethnic differences in dieting behaviors and eating pathology in undergraduate students.* Poster presented at 2014 NCC Rall Symposium.
- Madison Henry, Honors Thesis (2012-13). *From professional MD to Web MD: How online healthcare information is impacting the clinician-patient relationship.* Poster presented at 2013 National Council on Undergraduate Research (NCUR) Conference and NCC Rall Symposium.
- Nancy Guzman, Independent Study (2012-13). *Nature and prevalence of binge eating in undergraduate students.* Oral presentation given at 2013 NCC Rall Symposium and 2014 National Council on Undergraduate Research (NCUR) Conference, and poster presentation given at 2014 Midwestern Psychological Association Research Conference.
- Jacey Keeney, Independent Study (2012-13). *Binge eating in student athletes.* Poster presented at 2013 Midwestern Psychological Association Research Conference and NCC Rall Symposium.
- Kelly Flack, Independent Study (2012-13). *Examining the correlation between eating behaviors and perception of meaning in life.* Poster presented at 2014 Midwestern Psychological Association Research Conference.

- Rachel Davis, Independent Study (2012-13). *Perceived barriers to physical activity among first-year college students and openness to health class*. Poster presented at 2013 NCC Rall Symposium.
- Angela Frelander, Independent Study (2011-12). *The influence of perceived action and ethnic background on weight bias among undergraduate students*. Oral presentation given at the 2012 Associated Colleges of the Chicago Area (ACCA) Research Symposium and NCC Rall Symposium.
- Sevil Arin, Independent Study (2011-12). *Psychotherapy modality preferences among residents in a psychiatric nursing home*. Poster presented at the 2012 Associated Colleges of the Chicago Area (ACCA) Research Symposium and NCC Rall Symposium.
- Kristin Kiper, Honors Thesis (2010-11). *A two generational look into the public's knowledge and perceptions of mental disorders*. Oral presentation given at the 2011 Midwestern Psychological Association (MPA) Research Conference and NCC Rall Symposium. **Winner of the 2012 MPA Psi Chi Student Research Award.**

Dissertation Committees

Jaclyn Keeney, Doctoral Dissertation External Committee Member (Ph.D. in Clinical Psychology, Rosalind Franklin University, 2017-2019). *Examining changes in physical activity during the first year of college among former high school athletes and former high school non-athletes*.

Daisy Obetsinov, Doctoral Dissertation External Committee Member (Psy.D. in Clinical Psychology, Palo Alto University, 2013-2015). *A phenomenological study of women undergoing gastric bypass surgery*.

Rush University Medical Center Student Projects/Published Abstracts

- Jackson, J. L., Patel, P., Azarbad, L., Pisani, B. A., & Corsica, J. (2011, March). *Denial as a possible predictor of rejection episodes among heart transplant patients*. Mentored research project of Jamie Jackson, M.S., at Rush University Medical Center, and poster presented at the annual meeting of the American Psychosomatic Society, San Antonio, TX. *Selected as outstanding contribution to the field and invited for press release*.
- Ivan, I., Azarbad, L., Corsica, J., & Hood, M. (2010, April). *Weight loss expectations predict one-year post-operative weight loss among African American women undergoing gastric bypass surgery*. Mentored research project of Iulia Ivan, B.A., at Rush University Medical Center, and poster presented at the annual meeting of the Society of Behavioral Medicine, Seattle, WA.
- Ivan, I., Azarbad, L., Corsica, J., & Hood, M. (2009, October). *Does binge eating mediate the relationship between ADHD characteristics and obesity severity?* Mentored research project of Iulia Ivan, B.A., and poster presented at the annual scientific meeting of The Obesity Society, Washington, D.C.

EDITORIAL ACTIVITIES

- Ad hoc reviewer, *Eating Behaviors*, 2009 – present
