EDUCATION

Ph.D. in History, The University of Texas at Austin, 2008
M.A. in History, The University of Texas at Austin, 2002
B.A. in History and Government; Spanish Lit minor, The University of Texas at Austin, 1998

ACADEMIC AND ADMINISTRATIVE EXPERIENCE

North Central College **2008-present**
Assistant and Associate Professor of History. Professor, effective August 2025.

Director of General Education **2018-23**

As the institution's inaugural director of general education, I reported to the Provost & VPAA. I provided leadership and direction for curriculum development and ongoing revision of the general education program. I conducted research on and stayed current with best practices and innovations in general education, sharing this information with the campus community. I led faculty in the ongoing examination and improvement of the general education program and acted as a resource for colleges/schools, departments, programs, and faculty members interested in developing courses for the general education program. I worked with deans, department chairs, and program coordinators to schedule and staff general education courses. Additionally, I collaborated with other offices to plan and promote ongoing professional development opportunities for those teaching in the general education program. I served on the Provost's Council and the Provost's Leadership Team, as well as the Academic Advisory Council, which consisted of elected chairs of faculty governance committees and administrative leadership in the Office of Academic Affairs. I also managed grade disputes and academic integrity violations for all sections of First-Year Seminars, Transfer Seminars, and Senior Seminars.

Selected Accomplishments:

- Implemented an innovative, integrative general education curriculum
- Developed curricular framework for the First-Year Seminars (CARD 101 & 102) in collaboration with wide variety of campus stakeholders.
- Oversaw FYS, including planning, developing, and delivering professional development workshops for faculty outside of English and Communication teaching First-Year Seminars.

- Developed curricular framework for and oversaw and staffed the Transfer Student Seminars (CARD 200) and Senior Seminars (CARD 400)
- Chaired the newly created General Education Committee (GEC) where decisions regarding program policies and procedures, learning outcomes, and course inclusion in the program were considered.
- Ex officio member of the Academic Programs and Policies Committee (APPC) and brought general education curricular changes with larger institutional scope for consideration, including significant reduction in required credit hours and increase in student pathways.
- Maintained the general education assessment plan and conducting annual assessment of the program; ex officio member of the Academic Programs Assessment Committee (APAC); provided oversight for student learning outcomes, assessment strategies and results.
- Worked closely with other offices, including Admissions and Marketing, to communicate the mission-driven value of the program
- Point person and support/resource/mentor for faculty teaching general education courses.
- Led a major revision of the new program by reducing learning outcomes (from 42 to 4), reducing required credit-hours (from +52 to 42 or less), and increasing student pathways.

Coordinator, Institutional Assessment

2024-2025

In this role, I provided administrative oversight for academic assessment and chaired the Academic Programs Assessment Committee (APAC). I led the Committee in gathering, reviewing, and providing feedback on academic assessment data from departments and programs. Additionally, I collaborated with colleagues in academic departments who require assessment data for accreditation purposes and served as the Administrator for the Academic Assessment Portal. I also supported colleagues in Student Affairs & Athletics and other divisions across campus in the assessment of student learning.

Provost's Faculty Fellow

2023-24

The Faculty Fellows in the Office of the Provost work on special projects and report to the Provost and VPAA. I supported the Associate Provost and Dean of Engaged Learning and interim Dean of the School of Business & Entrepreneurship with institutional assessment during the Higher Learning Commission (HLC) mid-cycle accreditation review and assisted with the Assurance of Learning argument for AACSB Accreditation.

Co-Chair, Transfer and Degree Completion Committee

2021-22

I co-chaired this with the Vice-President of Enrollment Management and Marketing to implement global articulation agreements with six nearby community-colleges. I collaborated with department chairs, transfer-student admissions, and the Registrar's office to create and promote two-year completion pathways for various programs. I also supported the creation of a Transfer Center to promote transfer student success.

Coordinator, Senior Seminar

2022-present

I supervise and staff the Senior Seminar "Liberal Arts and the Problems of Today" (CARD 400). This includes administering program assessment annually, reporting results and implementing curricular changes accordingly. I provide resources for faculty and facilitate a community of practice.

Other Selected Service at North Central College

- Search Committee Member. Tenure-track position in History. 2025-26
- Search Committee Member. Director of Library Services. 2021-22
- Career Readiness Task Force. 2020-21
- Chair, Academic Programs Assessment Committee (APAC). 2010-16; 2024 - present
- Search Committee Member. Dean of Faculty/VPAA. 2014
- Fulbright Faculty Committee Member. 2012-2013
- Faculty Welfare Committee (FWC) Member. 2009-13
