

# Transfer Planning Worksheet 2025-2026

**NORTH CENTRAL  
COLLEGE 1861**

Student Name: \_\_\_\_\_ North Central ID# \_\_\_\_\_ College Representative: \_\_\_\_\_ Date: \_\_\_\_\_

## Management, B.B.A.

Management develops students' understanding of organizations and their role in society. Students develop skills in data analysis, organizational structure and supply chain management, while emphasizing the responsibilities of organizations to promote a more sustainable future. In a rapidly changing world, students gain an appreciation for the responsibilities of corporations to not only be profitable but to also be stewards of the environment and social justice.
