B.A. Elementary Education 2017-2018

Unofficial Transfer Planning Worksheet

Student Name: _____ ID#: _____

- Some listed courses may have required prerequisites; please consult the catalog
- Transfers must complete at least 9 major coursework credit hours at North Central
- At least 60 credit hours must be taken at a four-year institution
- The following information is to be used as a planning tool only

Students should consult the Education Handbook and online undergraduate catalog for specific requirements for the major, endorsements, and certification/licensure. Students seeking elementary certification must satisfy: elementary education major, general education requirements, and State of Illinois certification requirements for grades 1-6. Note, only PSY 100 and nine other credit hours of professional education may be transferred in from a two-year college. The Education Department prefers that EDN 101 be taken at North Central College. A minimum of 120 total credit hours are required to graduate. Each course can be used for only one licensure requirement. A score of 22 on the ACT with writing OR composite score of 1030 on the SAT (critical reading+mathematics=1030 or higher) and a minimum 450 on writing OR a passing score on the Test of Academic Proficiency (TAP test) is required. If the SAT is taken March 6, 2016 or later the composite score required is 1110 (evidence based reading and writing +mathematics) with 26 or higher on writing and language.

Course	Course Title	Term Completed	Credit	Grade
EDN 101	Teaching Today			
PSY 100	Psychology: Science of Behavior			
PSY 205	Educational Psychology			
PSY 210	Child Development			
EDN 228	Elementary Teaching I
