- The student's siblings if they live with the student's parent(s) of record (or live apart because of college enrollment), they receive more than half of their support from the student's parent(s) of record, and they will continue to receive more than half of their support from the student's parent(s) of record between July 1, 2026 and June 30, 2027.

As a result, the parent(s) should not include any unborn children in the family size.
