Income Verification Form

Student Name: _____

Student ID: _____

Section A: Tax Filer Information

Complete this section if the student/spouse and/or parent(s) of record (parent(s) on FAFSA) filed or will file a 2024 IRS income tax return(s). As part of federal student aid eligibility, students, spouses (as appropriate), and/or parents, will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the student and spouse or parent(s) of record filed separate 2024 IRS income tax returns, all must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2024 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS.
