

Admissions Update Attestation Form*

*-To be completed by students who have been Provisionally Accepted into the NC MSPAS Program

The North Central College Master of Science in Physician Assistant Studies (NC MSPAS) program requires a minimum of 750 hours of direct, hands on patient care, and a minimum of 15 hours of direct observation of a PA's providing direct patient care for admission. In addition, prerequisite coursework must be completed prior to matriculation into NCC MSPAS program, with no requirement pertaining to upper limit on the length-of-time passed since Prerequisite coursework completion. The following prerequisite coursework are required prior to matriculation into NCC MSPAS program:

Prerequisite Coursework	Minimum Semester Hours
Human Anatomy with lab*[∞]	3
Physiology*[∞]	3
Microbiology with lab*	3
General or Organic Chemistry with lab*	3
Biochemistry*	3
Science at the 200 level or above. <i>The following classes will be accepted: Genetics, Immunology, Cell or Molecular Biology, Organic chemistry</i>	3
Statistics	3
Psychology, Social Science or Behavioral Science	3
Humanities and Fine Arts, Foreign Language	6

* No upper limit on the length-of-time passed since Prerequisite coursework completion

[∞]or may use two combined courses in Anatomy and Physiology with labs

Each course may only satisfy one prerequisite. The program will honor credentialed online lecture-based coursework and lab-based coursework in the 2021-2022 cycle due to the COVID-19 Pandemic. Due to the pandemic, the program will honor up to two "Pass" grades in prerequisite classes taken anytime between January 1st, 2020 and December 31st, 2021. No more than 2 total prerequisite courses may be pass/fail.

In the spirit of professionalism and veracity, I attest that I have completed the above number of direct patient care hours, PA-C Observation hours, and prerequisite coursework in the manner described above, and **with no additional incomplete requirements.**
