East Asian Studies, China Track, B.A.

East Asian Studies emphasizes a broad interdisciplinary understanding of East Asia at both the regional and national level. The program allows students to select either a general or country-specific emphasis, and provides opportunities for study-abroad in Japan, China and/or South Korea. Graduates of our program are well-positioned to work in East Asia-related fields, and can pursue graduate study in East Asian Studies or other connected programs/disciplines (i.e. History, International Relations, etc).
