Dear Student,

The Coronavirus Aid, Relief, and Economic Security (CARES) ACT was passed by Congress and signed into law on March 27, 2020. One aspect of the act was the creation of the Higher Education Emergency Relief Fund (HEERF). HEERF provides funds to institutions for emergency financial aid grants to students whose lives have been disrupted and may be facing financial challenges due to the COVID-19 pandemic. Awards are being distributed to eligible North Central College undergraduate and graduate students based on need as determined by the 2019-20 FAFSA with an emphasis on providing additional support to the neediest populations.

According to our records, you will be receiving a grant payment either by check or direct deposit to your bank account on file. Due to the large volume of payments that need to be issued this process will take until the end of June. We appreciate your patience.
