Please review and sign (with signature if printed or by typing full legal name if electronic). If I am accepted into the accelerated nursing program, I understand the following:

Nursing Scholars *must adhere to all pathway program responsibilities*. A student may lose guaranteed admission for failure to fulfill responsibilities:

- Minimum cumulative undergraduate GPA of 3.65
- Minimum GPA of 3.50 in all Master's Entry to Nursing Practice (MENP) prerequisite coursework
- No more than one repeated prerequisite course
- Timely application to NursingCAS in the spring semester of the junior year (60-89 credits; third year in pathway)
- Enrollment in Health Science major
- Completion of 108 undergraduate credits and all MENP prerequisites prior to beginning MENP coursework
- Good standing with the College, with no unresolved academic or conduct concerns
- Demonstrated record of professionalism, engagement and appropriate conduct, as reflected in the NursingCAS application
- Favorable program readiness interview with Nursing faculty

The Nursing Scholars program combines undergraduate and graduate tuition. During the five-year program leading to a Bachelor of Science in Health Science and a Master's Entry to Nursing Practice (MENP), undergraduate tuition is charged in years one through three. I understand that undergraduate scholarships do not apply during the graduate tuition years and that I am responsible for reviewing my financial aid eligibility for MENP enrollment.
