Bilingual candidates always appeal to employers and graduate school deans as true global citizens who stand head and shoulders above the rest. And that's what you'll become at North Central! Our Spanish faculty is quite dedicated and portrays rich geographical and linguistic diversity representing Latin America, Spain, and North America regions. Numerous opportunities to travel to Spain, Costa Rica, Chile, Colombia, Nicaragua, Peru, or El Salvador are offered yearly as study abroad programs, research programs, or service trips. Combine that with small classes, our campus resources like the Roberta I.
