

North Central College MSPAS Program Direct Patient Care Hours Attestation Form

A minimum of 750 hours of direct, hands-on patient care is required for admission consideration. Physician Assistant shadowing hours *cannot* be used for this admission criteria. The minimum number of hours must be attained prior to the 12/31/2021. The application will not be considered complete, and will not proceed to admissions committee review, without hand-written signatures from both the PA Candidate and Preceptor. The North Central College MSPAS Direct Patient Care Attestation Form is the only form that may be used to document direct patient care hours, and must be submitted by the PA Candidate prior to the deadline of 12/31/2021 via e-mail attachment to Grad@noctrl.edu. No additional hour updates will be accepted after 12/31/2021. This form is to be used to describe your experience for *each* direct patient care experience that you have completed. Upload one form for each direct patient care experience to your CASPA application, or e-mail to Grad@noctrl.edu if CASPA has closed.
