*Opportunities for internships in various fields

"I had the most memorable experiences studying abroad. Apart from my studies, I planned trips around the UK and Europe with friends that I met abroad. I love to discover what's

unique about each culture and I believe it is very important to not only learn about them, but to share in those experiences as well."

Sociology major, Lindsay Crawford, studied at Liverpool Hope University in England in fall 2012

Benefits of studying abroad as a sociology major:

- Meet and understand the thinking and behaviors of those in another country
- Study in the home country of famous psychologists like Freud, Pavlov and Piaget
- Opportunities to intern in various fields
- Complete a Richter and do research abroad
- Take unique courses that are not offered at NCC
- Courses are taught in English
- Keep your NCC-based financial aid
- Take 12-15 NCC credits each term
- Travel and explore new places
