Application for Undergraduate Admission

North Central College is a place where students and their academic achievement are central. The College will consider for admission applicants of good character who can benefit from and succeed in a competitive academic environment. Applicants will be assessed for admission on an individual basis taking into account the rigor of curriculum and cumulative GPA in applicable courses. ACT/SAT composite and sub-test scores are required for those with fewer than 27 college semester hours. Other factors, such as recommendations, on-campus interviews, writing samples and cocurricular involvement will be taken into consideration if submitted.

ARE YOU READY TO BE CENTRAL?

1. Complete the application for admission accurately and honestly. Send to the North Central College Office of Admission.
2. Attach a \$25 nonrefundable application fee to the completed paper application. Checks or money orders should be made payable to North Central College. The application fee is waived for applicants using the North Central College online application. This application may be accessed at northcentralcollege.edu/apply.
3. Forward official transcripts of all high school records and all colleges and universities where you have been enrolled to the North Central College Office of Admission. Transcripts must be sent directly from each institution to the Office of Admission. Failure to submit information from all institutions attended can result in the cancellation of your application for admission.
4. If your ACT and/or SAT score is not reported on your official high school transcript, submit a written request to the American College Testing Program and/or the College Entrance Examination Board to have your official results sent to North Central College. Score reports must be sent directly to the Office of Admission. North Central College accepts both the Old SAT and the New SAT from College Board.
5. Though optional, we encourage you to send any additional information, such as letters of recommendation, information about cocurricular activities or writing samples you feel are relevant to the admission process.

NOTICE OF DECISION

Within a few weeks of receiving all required information, the Office of Admission will notify you in writing of the Admission Committee's decision. If the Admission Committee does not have adequate information to make an admission decision, you will receive a letter asking for additional information, such as transcript information, a new ACT/SAT score or letters of recommendation. If you are offered admission, you will receive a folder of necessary documents and be asked to submit a deposit to hold your seat in the undergraduate class. Admitted students must submit a \$100 tuition deposit, and students planning to live on campus must submit an additional \$100 housing deposit along with a housing questionnaire. Tuition and housing deposits are due by May 1 and are nonrefundable.
