

At North Central College, supporting our diverse, inclusive, and global community is central to our core values. Our campus has a history of faculty, staff and students working together to foster a campus environment where acts of discrimination, harassment and sexual misconduct are not tolerated. North Central College's Discrimination, Harassment, Sexual Misconduct and Retaliation Policy (available at [www.northcentralcollege.edu/nondiscriminationpolicy](http://www.northcentralcollege.edu/nondiscriminationpolicy)) is designed to promote a safe, non-discriminatory environment reflective of our commitment to diversity, inclusion, academic freedom, and free speech.

Included in this policy is the non-discrimination statement for the College and the associated complaint resolution procedures. Any member of the North Central College community has the right to raise concerns or make a complaint about discrimination, harassment, sexual misconduct or retaliation under this policy. All faculty and staff should review the policy and procedures and understand where resources are located on campus.

All faculty and staff are considered "responsible employees," mandating that they report complaints about sex or gender-based discrimination, harassment, sexual misconduct, retaliation, discrimination against pregnant and parenting individuals, or discrimination against individuals with disabilities to:
