

SCHOLARSHIP RENEWAL GUIDELINES

ELI TO DEGREE SCHOLARSHIP

CONGRATULATIONS on your selection as an ELI to Degree Scholarship recipient. This document will provide you with an overview of the enrollment requirements associated with your award. The ELI To Degree Scholarship will apply to your undergraduate degree studies at North Central College upon successful completion of the advanced level of the English Language Institute (ELI).

How will I receive the award?

Your scholarship will be awarded for one or two semesters of undergraduate degree studies and is not renewable. The award is based on the number of semesters in which you are enrolled full-time in ELI as a resident student and are conditionally admitted to a North Central degree program during the full-time ELI enrollment. Funds will automatically be credited to your student account for each qualifying semester in which you are registered as a full-time North Central degree-seeking student after the tuition refund period for the semester has passed.

How many credit hours must I enroll in each semester?

You must register full-time each semester in order to receive your ELI to Degree Scholarship.

During which semesters can I use the scholarship?

The ELI to Degree Scholarship is available for Fall and Spring semesters only. Award funds are not available during the Summer semester or during any semester(s) where you are studying abroad.

For how many semesters can I receive the scholarship?

You can receive the ELI to Degree Scholarship for a maximum of two academic semesters (Fall and Spring semesters only).

Must I live on campus to receive and renew the scholarship?

Yes, recipients of the ELI to Degree Scholarship must live on campus both during their enrollment in the ELI and during their enrollment in an undergraduate degree program to qualify for the scholarship.

What are the minimum academic requirements to receive and renew the scholarship?

- As an English Language Institute Student, you must maintain a final grade of B-, 80% or higher, in all classes for an ELI semester to count toward earning this scholarship.
- As an Undergraduate Degree Student, you must maintain the appropriate grade point average based upon your grade level and receive passing grades in at least 67% of the credit hours you attempt.
