If you are studying less than one year, please fill out only the semester that you will be studying at North Central College.

The Form DS-2019 for entry into the United States will be mailed to the student by **May 14th**, which they will use to apply at the American Consulate for a J-1 **exchange student** visa. Students should not enter the U.S. on another type of visa as it is not possible to change from one type to another.

J-1 visa applicants are required to pay a one-time SEVIS fee of \$220 to supplement the administration and maintenance costs of the Student and Exchange Information System (SEVIS). The fee must be paid at least 3 business days prior to applying for your visa, or applying for admission at a US port-of-entry for those exempt from the visa requirement. The fee can be paid online and must be accompanied by a Form I-901. It can be paid by you or by a third party, inside or outside the U.S. You will need the DS-2019 in front of you in order to pay.

To Pay Online

1. Find the Form I-901 at www.FMjfee.com.

2. Complete the form online and supply the necessary Visa, MasterCard or American Express information.

*Be sure to write your name exactly as it appears on your Form DS-2019.

3. Print a copy of the online receipt and keep it with your other important immigration documents. Take all documents with you when applying for the visa.

Housing assignments and roommate information will be communicated to the student as soon as they are assigned.
