Dear Student,

The Coronavirus Response and Relief Supplemental Appropriations Act of 2021 (CRRSAA) was passed by Congress and signed into law on December 27, 2020. The U.S. Department of Education made available an additional \$21.2 billion to institutions of higher education to assist students and ensure learning continues during the COVID-19 pandemic. This funding was allocated to the Higher Education Emergency Relief Fund II (HEERF II).

North Central College has received \$1.2 million as part of HEERF II to directly support students who have demonstrated need and are facing financial challenges because of the continuing COVID-19 pandemic.

Grant amounts vary by student based on academic level (undergraduate/graduate) and Expected Family Contribution (EFC), and ranging from \$200 to a maximum of \$805. The highest grant amounts are provided to eligible students who exhibit the highest demonstrated need as determined from their FAFSA. These funds may be used for any component of a student's cost of attendance or for emergency costs that may arise due to the COVID-19 pandemic, such as tuition, food, housing, health care (including mental health care) or child care.

You will be receiving a grant payment either by check or direct deposit to your bank account on file. All HEERF II funds will be processed through the Office of Student Accounts. You have the choice of having these funds applied to your student account. To have these funds applied to your student account, please complete your consent by no later than 11:59 p.m. CST on April 9, 2021. Any amount over your outstanding balance will be refunded to you.

If you have not done so, we encourage you to set up direct deposit through Merlin by April 11, 2021, as this will provide the quickest access to these funds. Students who elect not to set up direct deposit will be provided these funds via check mailed to their permanent address on file.
