Foundational – A Culture of Character Matters

- Cultivating healthy school cultures
- Understanding the impact of the 4 different groups of educators
- Creating positive environments in which staff not only tolerate change but also seek and embrace change

https://twitter.com/docmuhad

Founder of *New Frontier 21*, Dr. Muhammad's work focuses on providing educators with the best available training to eliminate the achievement gap. His approach embraces 4 four critical areas of development: school culture, school structure, quality instruction, and parent & community involvement. Dr. Muhammad is recognized as one of the World's Top 30 Education Professionals by *Global Gurus Education 2021***.**

Participants will receive Mr. Muhammad's book, *Transforming School Cultures: How to Overcome Staff Division*
