CHARACTER EDUCATION CERTIFICATE

100% ONLINE

**THREE FIVE-WEEK
MODULES**

**\$150 FOR COMPLETE
CERTIFICATE**

Goals of the Certificate Program:

- Foster a school culture that is inclusive for students and staff
- Infuse social-emotional character development across the school setting
- Tackle equity through a commitment to foster student and staff potential

I believe character development is relational and fostered in a lifelong process of navigating and developing our inner and moral selves as we engage with others and cultivate our wisdom, courage and compassion.”

Dr. Julie Nagashima

Assistant Professor of Ethical Leadership;
Coordinator of Character Education Certificate Program

Character Education in the Classroom

Introduction to virtue framework, virtue language and literacy: moral, civic, intellectual and performance virtues.

Character Education as a School Ethos

Introduction to effective practices for fostering a school culture of character.

“

This certificate program touched on all SEL competencies. It has allowed me to expand my understanding and creativity in teaching character development within my small groups, the larger educational community, my school community and my parent community.

”

Laura Loehmann,
social worker, Naperville CUSD 203
