

INCOME VERIFICATION FORM

Section A: Tax Filer Information

Student Name: _____ ID: _____

Complete this section if the student/spouse and/or parent of record (parent on FAFSA) filed or will file a 2022 IRS income tax return(s). As part of federal student aid eligibility, students, spouses (as appropriate), and/or parents, will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the student and spouse or parent(s) of record filed separate 2022 IRS income tax returns, all must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2022 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS.
