Course Description:

Welcome to CARD 260: Beer and Sports! In this course, we will study the historical and cultural interplay between beer and sports in the world. We will visit the UK and Ireland, and through visits to historic breweries, iconic stadiums, and sports museums, we will explore how these two cultural pillars have shaped and influenced each other across time. Additionally, we will investigate the broader socio-economic implications of beer and sports, including their impacts on culture, policy, and international events.
